

**WEEK ENDING
March 1,
2019**

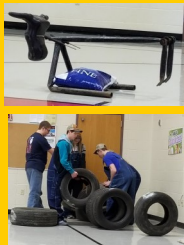

Friday Focus

District Happenings...

**CSD
2018-19**

National FFA Week Celebrated in the District!

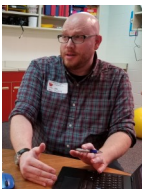

- *Presentations at CES
- *FFA Olympics...which included some unique "calf roping" and "tire rolling."

Advisor...Justin Graves

Behavior Analyst Works in the District Each Week

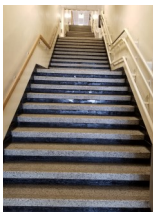

J. Fette is based out of MN and works in the district to help staff members learn about behaviors,

provide positive interventions and develop student behavior plans.

Steps

Did you ever wonder if the person who designed the CES steps, actually walked or ran up and down them several times each day?

Middle School Assembly

World Classrooms

Mr. Pearson informed students of this educational travel experience. A parent meeting is scheduled for March 7.

Sanford PT

Destiny working with students in the CSD.

Young Authors Judging

CES students have been working on their Young Authors projects. Wed. Feb. 27, staff members met and completed the judging. Thank you to S. Tveit for organizing this activity/event.

Thanks, Dave, for moving snow so we don't have to climb the snow banks when getting out of our vehicles!

Healthy School Wellness Policy

Highlight

The school will seek out good nutrition choices whenever appropriate and follow the Smart Snacks in School Standards.

NA Parent Advisory

This group met on Mon., Feb. 25 with six parents present along with three school staff members. T. Brown will be designing a newsletter to summarize the meeting.

Healthy Schools Committee Meets

Thank you to B. Steckelberg who will be taking over the leadership role of this group. Events are being planned and grant opportunities reviewed.

Parent Scholarship Meeting @ CHS

**Wed. March 6
5:15-6:00 p.m.**

Girls-Region Game

The girls season ended in a tough loss to Miller on Thurs., Feb. 28.
